EXPERIENCE

OCT 2024 - Present

GDSC-UE Web-lead

- By joining GDSC-UE,I grow my knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community.It was a great platform to show my technical skill in a practical field

OCT 2022 -JUN 2023

Teaching

- For Eight month of Experience in teaching at West Bridge School Thoker Niaz Baig I have learned how to show your knowledge in practical field. It was a great opportunity for me to deploy my skills

EDUCATION

2021 - Present

University of Education Township LAhore

- With my study I have learned different Technologies HTML,CSS,BOOTSRAP,JS,REACT,NODEJS,EXPRESSJS,MONGODB and in addition Tailwind CSS and Redux-toolkit

2019-2021

Punjab College Behria-Town

- During this period I have explored differnt technological fields for my career and finally I selected IT for my future career.Then in this period I learned programming language C+ and explore my interest by getting knowledge from my teachers and friends

PROJECTS

- BEACH COMFORT a beach comfort application using react js
- GROCERY STORE a grocery store using html,css and javascript
- ECOMMERCE VENDER an Ecommerce website using react, nodejs,tailwind css and redux toolkit
